FYI Dr. Ari Babaknia, recipient of Prestigious Cultural and Arts Award, the Pasargad Heritage Foundation's 2022 Nowruz Award

Every page of "Humanity, NOT" is accompanied by powerful paintings for education by renowned late secular freedom loving Iranian graphic artist Ardeshir Mohasses, in a way that touches the personal stories of man's inhumanity to man, the brutality of the Holocaust Not as Jewish story but as shameful Humanity madness stories killing, torturing children and the fragility of humanity. Unfortunately War Crimes, Genocide and Ecocide has been repeated in many different forms in past 50 years.
